

Creating a Sustainable World

We are committed to connecting our clients and their children with opportunities to learn about the power you have to make a difference.

On International Women's Day, Senior Wealth Advisor, Sonia LeRoy participated in a virtual financial literacy event to educate investors about Responsible Investing. If you missed it, you can check it out: Investing with Purpose: Sustainable and Responsible Investing. Investing for a positive environmental impact on our planet is one of many ways investors can influence change with their money. We invite our readers and the youth in your lives to learn more about environmental issues and the actions we can take in support of change, by attending the WE Global Classroom Event on March 24, 2021 with our IPC Ottawa Cares Youth in Action group: The Circular Economy, Sustainable Development Goals, and Plastic Waste Reduction. This on-line, one hour learning event is designed for students and youth, aged 10-17. As the event will be held during school hours, and our IPC Cares Youth
